BioGraphy™

MODERN KITCHENS

BioGraphy Kitchens are designed with modern British living in mind. Our carefully considered and flexible kitchen styles enable you to reflect your personality by creating characteristic spaces that work for you and your life – with no compromise on quality, functionality or practicality.

With so much versatility and choice, you have the freedom to select form, function and features that resonate with your individual lifestyle and tastes.

B. Inspired, creative, *individual*

STYLE 1

Clean, sharp and for fans of all things minimal, BioGraphy allows you to create looks that reflect light, radiate a sense of sophistication and blend perfectly with your home's architectural characteristics.

Create a bright, precise space that works effortlessly for entertaining or quiet nights in, utilising clever hidden storage and generous workspaces for feature-rich functionality: a minimalist design that delivers maximum impact.

B. Sleek, practical, beautiful

STYLE 3

Rugged and robust, BioGraphy cleverly captures the heritage and character of an industrial setting, while drawing on features of a contemporary space.

For urban spaces and more masculine environments, create a kitchen that suits a busy, on-the-go lifestyle whether you are working, grabbing a quick bite or socialising with friends.

B. Confident, bold, individual

STORAGE, YOUR WAY...

Of course you want a kitchen that's stunning to look at, but what's on the inside counts too.

The true measure of a kitchen is its overall performance – which is where our stylish, smart storage comes in. From ingenious corner solutions and hidden pantries, to space efficient drawer systems and pull-out larders, our innovative storage solutions will ensure that your kitchen is as practical as it is beautiful.

Save space, stay organised and keep your contemporary kitchen clutter-free.
